## In the garden

## Can you find four in a row? How about all of them?

| Purple flower | An ant | A tree with <br> needles | A flower that smells nice |
| :---: | :---: | :---: | :---: |
| A plant as tall as you | A ladyb | A yellow flower品 | A plant with thorns |
| A tree with <br> flowers | with soft leaves | A black bird | A plant with red leaves |
| A dandelion | A plant you can eat | $\because \text { A bee }$ | Soil |
